

Installation and instruction certificate

(Please return to ROTEX)

ROTEX Heating Systems GmbH accepts the guarantee with respect to the end customer with reference to material and manufacturing faults in accordance with the guarantee conditions (see below). There will only be a valid guarantee liability if the equipment has been installed and commissioned by an expert company, and if this form has been completed in full and returned to the sales partner quoted below. Please have this confirmed by your installation company in writing on this instruction certificate.
